ACTION REQUESTED BY THE SUPERINTENDENT: That the School Board approve a service contract in the amount of \$35,000.00 to Dominion Virginia Power for the construction of site lighting at Anthony Burns Elementary School.

KEY POINTS:

1. ABES construction project is a traditional design, bid, build procurement effort using the Moseley Architect, SCPS prototypical elementary school design. The construction contract was awarded to R.R. Gregory of Waldorf, Maryland for \$17.33M with a contract substantial completion date of July 15, 2006. 2006.
2. Dominion Virginia Power is the sole source electric provider in this area of the county. Dominion Virginia Power plans to install a total of sixteen (16) lights along the new entrance road and the parking lots for ABES. The \$35,000.00 is a flat charge for this project and includes all materials and labor for the installation. Dominion Virginia Power will provide maintenance for the lights and light poles.
3. Estimated completion date for this project is July 31, 2006.
4. If approved by the School Board, staff plans to initiate the contract with Virginia Dominion Power in May 2006.

SCHOOL BOARD GOAL: #5 – Provide facilities that promote student learning and and community support.

#7 – Provide school environments where teachers are safe to teach and students are safe to learn
